

Type SSD Tipping Bin

A low profile, compact bin for use in confined areas. Well suited to production machinery such as punching machines for the collection of slugs etc. Heavy duty construction with self dumping ability, the forklift operator empties the bin without leaving the drivers seat. Available in either painted or galvanised finish.

- Safe Working Load: 1000 kg
- Fork Pocket Size: 165 mm x 65 mm
- Fork Pocket Centres: 405 mm
- Bin Width: 710 mm

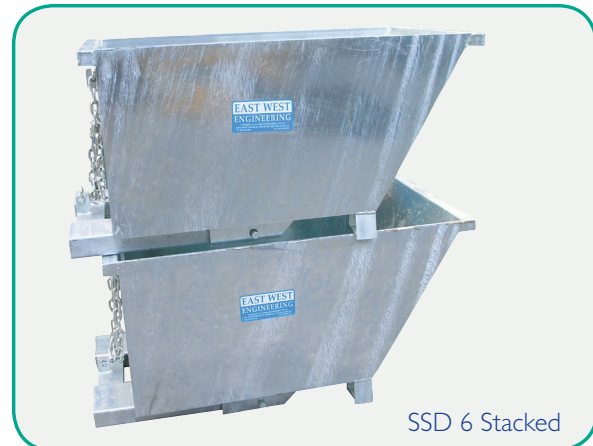

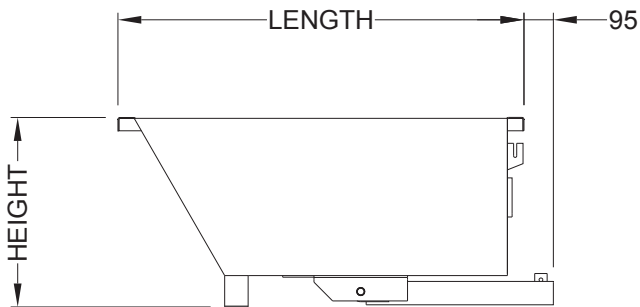

Options Available:

- Crane Lugs
- Drain Valve & Strainer
- Cast Iron or Rubber Wheels

SSD 3
