SOLUTIONS FOR EVERY CLEANING REQUIREMENT

HIGH PRESSURE CLEANERS

Whether it be hot-water, cold-water, petrol powered or even stationary units, there's a pressure cleaner to suit every cleaning task.

FLOOR CLEANERS & SCRUBBERS

Kärcher scrubber dryer's thoroughly remove dirt, dust and residues from hard floors in a single pass, leaving surfaces instantly dry, clean and safe.

SWEEPERS

Available as walk-behind or ride-on, ergonomic and easy to use. Ideal for both indoors and outdoors, capable of sweeping any type of mess in the industrial setting.

VACUUMS

Kärcher offers optimum solutions in the field of wet & dry vacuum cleaners, upright brush-type vacuum cleaners, battery-operated dry vacuum cleaners and electric brooms.

CARPET CLEANERS

Kärcher carpet cleaning machines economically clean large areas of carpet deep into the pile. The powerful Kärcher spray extraction machines tackle all your textile surfaces and dissolve and remove dirt in a single pass.

STEAM CLEANERS

Hygienic cleaning without cleaning agents - Kärcher commercial and industrial steamers clean economically and hygienically, killing bacteria and up to 99.99% of germs and bacteria* - without chemicals.

BATTERY POWER+

Level up your cleaning with Kärcher Battery Power+. From the Backpack Vac and Floor Scrubbers to the Wet & Dry vac and High Pressure Cleaner - enjoy the freedom of working without cables.

OUTDOOR POWER EQUIPMENT

The Kärcher outdoor power equipment range is pure power with no limits. You can now work in a quieter and safer environment with maximum flexibility and zero emissions.

*Accordant to EN 16615, PVC surface, machine: SG 4/4 and SGV 6/5 with conclusion of analogy to SGV 8/5 (Floor nozzle with lamellae, cotton cloth, max. steam pressure, min. VapoHydro, 30 cm/sec.) Test-germ: murine norovirus, adenovirus (excluding Hepatitis-B), under low organic load.
